 - 12.6 Copy of last one year IT return. (AY 2022-23 or AY 2023-24)
 - 12.7 **EMD AMOUNT Rs. 25000/- in shape of Bank Draft** duly pledged in favour of the undersigned.
 - 12.8 Declaration through affidavit before Notary public/ Executive magistrate regarding non black list by any state Govt. Or Central Govt. Organization.
 - 12.9 Copy of supply orders on supply of goods to any government organization through GeM or any tender procedure will be an advantage in case of equal rate quoted by the bidders.
13. **PRICE BID (COVER – B) :-**
 - 13.1 The firm shall quote the price with details specification of the product with its trade name against the items specified in Annexure A of this tender schedule. If any particular brand or specification will be decided on spot by the tender committee and if L-1 bidder of same item quoted with other brand, he/she shall be negotiated with L -1 rate against the chosen brand.
 - 13.2 The price must be written in both word and figure. If any difference between word & figure is detected the amount in words will be taken into consideration. Any correction of the price written in word will not be considered for price evaluation for the concern item.
 - 13.3 The sample of items under clothing segment should be furnished along with the price bid.
 - 13.4 The Authority may ask to submit the sample of any item and this need to be submit within three working days of opening of price bid or any date finalised by the authority (whichever is later). Failing of submit of the sample by the stipulated date, the price bid of the concern item will be finalised based on the sample and may not be with L-1 quoted rate.
14. If the lowest eligible bidder fails to supply in schedule time & the particular time, L₂ & L₃ firms agree to match the L₁ rate in all cases including the aforesaid clause. The quote price by the concern bidder must be started in figure as well as word without any kind of correction.
15. There should not be any change in quoted price till the end of financial year **2025-26** or one year from the date of finalization of the tender whichever is later. On satisfactory of the performance of the suppliers, the period may be extended for further one year from the date of finalization of the tender whichever is later. On satisfactory of the performance of the supplier, the period may be extended for further one year with the prevailing contract.
16. Each and every page /pages of the tender document should be serially numbered and duly signed by the tendered with stamp. Overwriting the price in the bid document will lead to cancellation of the concern bid.

17. PRICE EVALUATION :

- 17.1 There are five segments such as stationary, FMCG, Clothing, Computer peripherals & Foot wear and under each segment, the concern articles are mentioned. The bidder has to participate in any one or all segments.
- 17.2 The cost of item quoted by the bidder is inclusion of the transportation, packing, and forwarding at site of General store, SVPPGIP, Cuttack but excluding only GST.
- 17.3 The fulfilment of clauses as mentioned in 12 & 13 of this tender schedule.

18. PAYMENT

- 18.1 Payment will be made after complete supply of the ordered item/s
- 18.2 The payment may delay due to unavailable of fund and have to wait till fund available from Government. The firm should not stop supply or pressure for payment.

19. GENERAL CONDITIONS :

- 19.1 The bid will be received through Regd. post/speed post only. In the event of date being declared as a holiday for the purchaser's office, the due date submission of bids and opening of bids will be the following working date & time or as decided by purchaser.
- 19.2 The authority reserves the right to accept /reject all the bids or any part thereof without assigning any reason thereof.
- 19.3 No conditional tender will be accepted.
- 19.4 The qualified firm has to deposit security amount of **Rs.30, 000/- as performance security which will be release after complete of validity of tender without interest.** The EMD amount of the successful bidder will be adjusted against the concern performance security amount.
- 19.5 The authority is not bound to accept the lowest rate with compromising of quality/technical reason.
- 19.6 If the firm submitted any information or documents found to be false or misleading at any stage the tender will be rejected.
- 19.7 To ensure sustained supply without any interruption the tender inviting authority reserves the right to split orders for supplying the requirements among more than one tenderer if the lowest eligible bidder fails to supply in scheduled time and L₂ & L₃ firms agree to match the L₁ rate.

20. REJECTION OF TENDER

Any deviation to the aforesaid term and condition (SI 1to 19) shall liable for rejection of the bidder in this tender process

The authority /committee reserve the right to accept in full of part and reject any or all the tenders without assigning any reason thereof.

9	Twist Mop	Squeeze Twist Mop. Self-Wringing Mechanism: This mop is equipped with a self-wringing mechanism that allows you to twist and squeeze out excess water from the mop head without the need to manually wring it out. This feature makes the cleaning process aster and more convenient. Easy Squeeze Design: The mop is designed for easy squeezing, ensuring that you can effortlessly wring out water from the mop head with minimal effort, reducing strain on your hands and wrists during cleaning. Strong Water bsorption Ability: The mop head is made from high-quality fibers or microfibers with strong water absorption ability. This allows the mop to effectively absorb spills, dirt, and grime from the floor, leaving it clean and dry. Durable Construction: The mop is constructed from durable materials that are designed to withstand frequent use and provide long-lasting performance. This ensures that the mop remains effective for multiple cleaning sessions. Versatile Use: The twist mop is suitable for use on various types of flooring, including hardwood, tile, laminate, and vinyl. It can be used for both wet and dry mopping, making it a versatile cleaning tool for different areas of the home or commercial spaces. Adjustable Length: Some twist mops come with an adjustable handle length, allowing you to customize the mop to your preferred height for comfortable cleaning. Easy Maintenance: The mop is designed for easy maintenance, with detachable and machine-washable mop heads that can be cleaned and reused multiple times, reducing waste and saving money on disposable cleaning products.	each
